REMARKS

2 In the October 1, 2001, Office Action, the Examiner stated
3 that the reply filed on August 16, 2001 was not fully responsive
4 to the prior Office Action because applicant did not correct the
5 defective reissue oath/declaration by identifying at least one
6 error which is relied upon to support the reissue application.
7 Therefore, applicant hereby submits the attached revised reissue
8 declaration which identifies at least one error relied upon to
9 support this application.

CONCLUSION

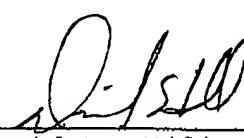

12 In view of the foregoing, applicant respectfully submits
13 that the present invention represents a patentable contribution
14 to the art and the application is in condition for allowance.
15 Early and favorable action is accordingly solicited.
